From the Heart of Pastor Terry Collins

Pastor Terry preparing to worship with some very special Haitians this past November.

Have you ever felt like the world was beating you up and God was leaving you out to dry. In other words it's as though He doesn't hear your prayers. If this sounds familiar then let's reflect on our Lord Jesus when He found himself hanging on a cross. Remember He cried out to the Father. "Eli, Eli, lama sabachthani! That is to say "My God, My God, why have you forsaken me". Like us, Jesus knew He was separated from the oneness of the Father while making the greatest sacrifice of all time, giving His life for humanity as He took on the sins of the world past, present and future. . As He

cried out to the Father, He knew he was heard but agonized over the emptiness He felt. Jesus knew God was there for Him and that the Father loved Him, but His suffering had to be endured alone so that humanity could be renewed once and for all. Jesus also knew that God would reach out to Him and would not let Him withstand more than He could, Psalm 22:18-24.

As you go through your sufferings, your trials, your pain and agonies on this earth know that God will not leave you or forsake you. In His perfect timing He will reach out, touch and restore you, Keep on praying, God hears you. Amen

JESUS PAID THE ULTIMATE PRICE SO WE CAN LIVE

“The House of Hope” is filled with Jesus’ joy

After 2 years of building a house to raise 12 children in Haiti, we have finally accomplished our vision. Last November we moved the above children into our home. They are now our extended family. Our hope is to raise these children up by educating them in academics as well as teaching them about Jesus. We also

plan on teaching them life skills such as gardening, sewing, cooking, taking care of small livestock, and carpentry, so they can survive as adults in this poverty stricken Nation. Our hope is that they will desire to give back to other orphans when they grow up.

Check Out The Brooder House

While in Haiti this past March, we found the remains of this pickup truck, so we built a quick chicken brooder to raise 40 baby egg laying chicks. Our hope is to raise these hens to provide protein for the children as well as to give them a commodity to trade or sell for other things they need. Praise God

Moving Ahead

These goats were purchased to reproduce and provide milk and meat for our children. Please keep praying for us to be guided by God to raise these beautiful children.

Another God Team

This is the latest group of people that joined me to reach out to the people of Petit Goave as we all spread the Gospel of Jesus. The three in the front row were led to hold a medical clinic as well as check out our children for health concerns. Needless to say, it was a blessing to have the three with us. They found scabies, ring worm, stomach worms and bronchitis among our children. We were fortunate that they had the meds to treat them on the spot. A Haitian nurse has been hired to continue to look after the children for the next six months monitoring their well being.

OUR LOGO

FYI. The fishing trawler represents the hearts of all our partners. On the starboard (or right) side of the bow (front of the trawler) we have the Scripture Matthew 4:19 which describes us to a “T”: We strive to be and make “Fishers of Men”. The mast (cross) and the red sail depicts the sacrifice Jesus made for all mankind and the Holy Spirit that is our mainsail heading us forward as we spread the Gospel of Jesus. The black represents the darkness of this world and the white boat represents the light of Christ within us.
